INFORMATION SHEET – 24-7 SMARTRACE® PLUS ADULT CATTLE

Presentation

A 195 g bolus containing the following trace elements:

Nutritional Additives	Product Composition	Average daily supply over 180 days from one 195 g bolus
Copper (Copper oxide)	129,603 mg/kg	140.0 mg
Iodine (Calcium iodate)	21,288 mg/kg	23.0 mg
Cobalt (Cobalt carbonate)	2,495 mg/kg	2.7 mg
Selenium (Sodium selenate)	1,134 mg/kg	1.2 mg

Uses

A dietetic complementary feed for the long-term supply of grazing adult cattle with trace elements. Intended for adult cattle on grass or forage-based diets with a liveweight over 400 kg. Agrimin **24-7 SMARTRACE® PLUS ADULT CATTLE** is designed for situations where iodine, cobalt and selenium supplementation is essential in the run up to calving and service and where additional copper is required.

24-7 SMARTRACE® PLUS ADULT CATTLE boluses are designed to lie in the reticulum. The wrapper on the bolus dissolves and the bolus breaks into three parts. These erode and dissolve thus providing a continuous and regular supply of nutrients to the animal over its 180-day active life. The bolus dissolves completely leaving no residue in the reticulo/rumen.

Simultaneous supplementation of additives with a maximum content from other sources to those incorporated in a bolus, if applicable, shall be avoided.

Before using, it is recommended to have advice from a veterinarian or nutritionist concerning:

1. The balance of trace elements in the daily ration
2. The trace element status of the herd

Administration

Administer one 195 g bolus per animal

24-7 SMARTRACE® PLUS ADULT CATTLE can be used on the following livestock: Dairy cows at drying off, dairy heifers 3 months pre-calving, 8-10 weeks pre-calving in suckler cows and donor and receipt ET cattle

Always use the recommended Agrimin cattle bolus applicator A

Contra-indications, Warnings etc

There is no need to administer additional copper, iodine, cobalt or selenium during the active life of **24-7 SMARTRACE® PLUS ADULT CATTLE** (180 days)

MEAT AND MILK WITHHOLDING PERIOD – NIL

Pharmaceutical Precautions

Do not administer to cattle weighing less than 400 kg liveweight

Store in a cool, dry place

Reseal part used packs

Do not drop onto hard surfaces

Keep out of the reach of children

Legal Category

Dietetic complementary feed

Package Quantities

24-7 SMARTRACE® PLUS ADULT CATTLE is packed in units of 10 (enough for 10 cattle)
